Subject: OVERDUE Vehicle Operations Reports...
Date: 01/10/2012 08:07 AM
Attachments: [Vehicle Operations Report.xlsx](#)

Folks,

You are overdue with submitting your Vehicle Operations Reports. It is now the end of the First Quarter of 2012. I need to submit the reports to HQ immediately! If we don't certify our reports by tomorrow, senior management will not be pleased. Please send them to Tom D'Alessandro and I by **COB** today. Thanks for your cooperation. It is both needed and appreciated...Thanks...Joe
